# COMPANY OVERVIEW

Noco Tiling and Projects (Pty) Ltd is a reputable construction company which specializes in delivering top-tier tiling solutions and comprehensive construction services.

We're based in Killarney Gardens, Cape Town and our business model is built on a foundation of quality workmanship, extensive industry experience, exceptional customer service, and a deep respect for your biggest asset – your property.

We're also passionate about turning your desires for your property into a reality, which is why we offer highly customizable residential and commercial services. As your trusted partner on any construction project, we take the time to understand your vision, needs, and budget to craft solutions that are perfect just for you. Whether it's a complete home construction or renovation, a bathroom remodel, or ongoing maintenance; we take what you want and combine it with our expertise and experience to bring it to fruition.

# VISION & MISSION

---

## Vision

Our vision is to be the leading one-stop building solutions company for home and property owners in Cape Town.

We will achieve this by prioritizing quality craftsmanship, customer service, and using innovative solutions to deliver highly customizable services; whilst ensuring that every project reflects the client's vision, and its build quality contributes to the lasting value of the property investment.

## Mission

To provide exceptional construction and tiling services that exceed our clients' expectations, while fostering sustainable and safe working environments. And to complete projects on time, within budget, and in accordance with regulations.

# CAMPANY VALUES

- **Customer Service:** We prioritize building strong relationships with our clients and understanding their needs and aspirations.
- **Quality:** We use ingenuity in using tried-and-tested materials and building methods to deliver high quality and long-lasting work on every project we undertake.
- **Teamwork:** We believe in the importance of having the right people on each project, and collaboration with other trade specialists.
- **Safety:** We prioritize safety measures to ensure the well-being of everyone involved on site and the protection of the property and the environment.
- **Integrity:** We conduct business with honesty, transparency, and accountability.
